Temporary closure of Lafayette Drive in Franklin County beginning Oct. 2

Louisville, KY (Updated Sept. 26, 2018) - The Kentucky Transportation Cabinet (KYTC) advises motorists of the temporary closure of KY 2271 (Lafayette Drive) in Franklin County. KYTC has awarded a contract for drainage and stabilization improvements as well as asphalt resurfacing between US 60 and KY 2259 (Shelby Street), mile markers 0.0 to 0.3.

Lafayette Drive is scheduled for closure on **Tuesday, Oct. 2** at 9 a.m. between US 60 and Woodland Avenue/Commonwealth Court. This section of roadway will remain closed for approximately one month. Motorists can detour via US 60 to Shelby Street.

During the closure, crews will perform drainage and stabilization work followed by paving of asphalt base courses. Lafayette Drive will be reopened for a minimum of seven days to allow the asphalt base to settle under compaction by traffic. The road will then be closed again for a couple of days to pave the final asphalt surface. Advanced notice will be provided prior to the second closure.

H.G. Mays Corporation of Frankfort, Ky. was awarded a contract in the amount of \$243,596 to perform this work. Construction is scheduled for completion in November 2018.

The date and duration of this work may be adjusted if inclement weather or other unforeseen delays occur. Visit goky.ky.gov for the latest in traffic and travel information in the Commonwealth of Kentucky.
